

Testimonial- Christmas Party Night 13/12/2025

From the minute I contacted the Racecourse to enquire about booking they were great! Helpful, friendly and accommodating. I was given a contact number to ring directly and bank transfer details to pay the balance as I was arranging the party for a large group which made it easy to pay as the money was collected. Maxine in the office was so helpful and understanding she made the process so simple. Lisa the manager was brilliant with her communication and following up on our many questions and demands!

The night itself was amazing, and staff have said it was the “Best Christmas Party Ever!” The venue looked lovely inside, our tables were beautifully decorated and putting us right near the dancefloor was a winner...very happy staff! The food was very tasty and a nice choice to meet everyone’s preferences. The waiting staff were friendly and worked so hard to make sure our meal went smoothly and everyone had what they wanted. The DJ, what can I say she knew how to keep us all on the dance floor. There wasn’t a lull at any point and many of us can vouch for that with our sore feet, aches and pains from all the dancing.

Myself and all the staff who attended would highly recommend this venue for a group Christmas party. Straight forward organization, good communication, brilliant DJ, yummy food and fantastic staff. Thank you so much to all the Racecourse staff for a very memorable night and we look forward to seeing you again next year!

Thanks
